Authors should send their papers for submission to the Scientific Editor:
Prof. Salvatore Lorusso

As is well-known the journal is historical-technical. Since the authors and the topics discussed come from diverse backgrounds and disciplines it is important for there to be reciprocal communication and clarity regarding the correct use of the English language. With this purpose in mind authors/readers are invited to send their comments, suggestions, queries, etc. to Angela Mari Braida, linguistic advisor at: angie_ambra@yahoo.co.uk
Any feedback related to the scientific issues covered in the journal can be sent to the Scientific Editor Salvatore Lorusso at: salvatore.lorusso@unibo.it
